Neighborhood Watch & Gem Community

I would like to thank all those Neighborhood Watchers who provided cookies and helped serve to those who celebrated our Arbor Day/City clean up. It was a great event to help our city look neat and clean.

I also would like to thank those on the Gem Community Committee who helped re-set the walls and flower beds at Sherry's Garden. We had a number of people stop and complement on how good the Garden looks. Our thanks to Village Mart for sending up popsicles on the hot day we planted the flowers. Also thanks to our City Maintenance Men for their support of the project and the great job they do keeping our parks looking sharp. And last but not least, thanks to the citizens of Inkom for providing the wall blocks and flowers we needed.

Police Department News

Inkom Police Department has 3 part time officers and between the 3 officers we work about 6 hours each day. All three officers are certified officers with years of experience. We work in Inkom at different times of the day, sometimes late in the evening or nights and sometimes during the day, but we do cover Inkom 7 days a week.

We are dispatched by the Bannock County Sheriff's Office. The emergency number to reach us is 911. We are often called out for emergency calls if we are not on duty. If we are not able to respond the sheriff's office will respond and you will always get emergency help when needed.

If you want to see or talk to an Inkom Officer and it is not an emergency, you can call the Inkom Police number at 775-4423 and leave a message and we will always get back to you within 24 hours. We also cover special events in Inkom when needed and work closely with the grade school.

Inkom has two Dodge Charger Police cars that are well equipped and have state of the art radars to assist in keeping speeding motorist under control. We do work traffic control in Inkom so our citizens and children can feel safe when walking and riding bicycles in the neighborhoods. We would remind everyone to watch for children playing as many of the streets do not have sidewalks.
