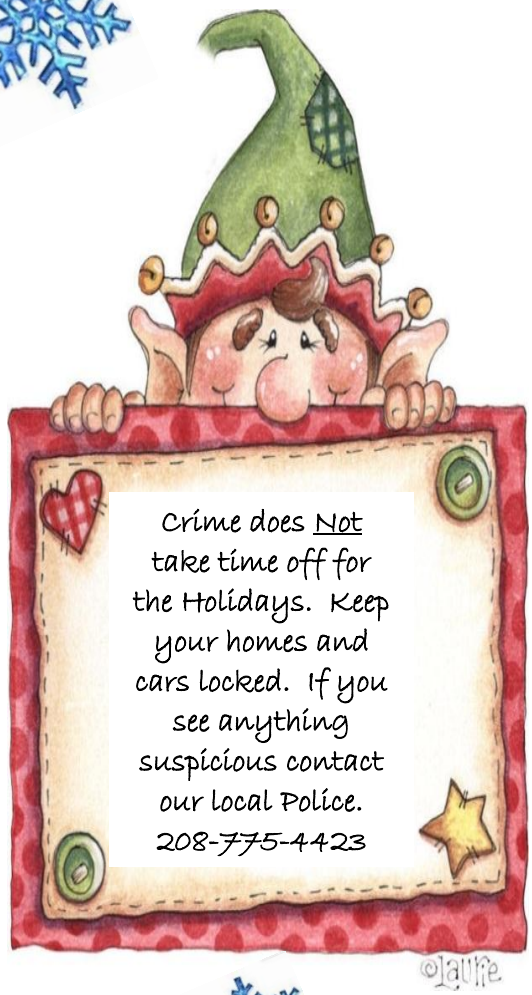
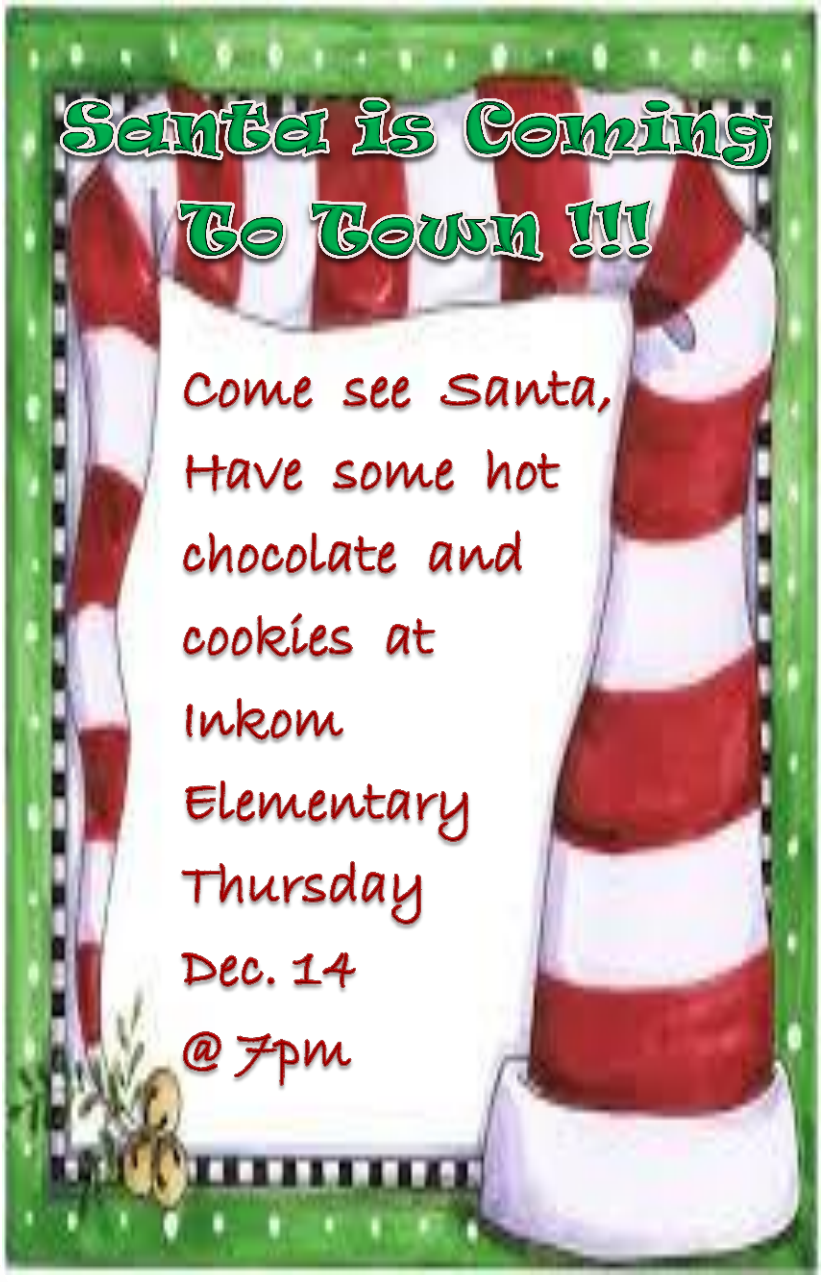
Gem Community

Where did the summer go? Sherry's Garden helped make it a beautiful one. Thanks to Brody Marlatt, his family, volunteers and donors. Brody's eagle project was to add two more layers of wall block, paid by local donors, add 6 inches of topsoil to each level, donated by Marcus Sheppard, plant flowers, paid for by the City of Inkom and planted by volunteers. Sign clean up by Luana Lish and others, water provided by city maintenance Andy & Terry Solomon. The flowers turned out beautiful. They were a joy to watch through the summer.

What would a summer be like in Inkom without the 4th of July celebration? Special thanks to all who made it happen, especially the Stewart and Cindy Nelson Family for doing a great job on the breakfast





Police News

Inkom is a pretty quiet little town when compared to most other towns. It is a great place to raise a family or just retire.

I would remind everyone that when it snows your vehicles need to be off the street so the snow plows can get up and down the street and the plows start early in the morning. If the snow plow has to go around your vehicle or trailer, then it needs to be moved. It is an easy ticket to write because the evidence is irrefutable.

Please be mindful of speed limits especially when the kids are going or coming from school. They usually walk on the streets because the snow has been removed and it is the best place to walk out of the snow. A speeding ticket in the school zone is a $156.00 fine and many people speed to get to the bus before it leaves in the morning from the grade school for the high school.
