

Residents,

As we reach a new milestone in our fight against the Corona Virus, the Governor's Stay at Home order ends and his Stay Healthy Order begins. We will anxiously start getting our community back to normal. The reality of the situation is that the new normal will never be the same as the "good ole days". Some of the changes you might notice are small youth groups starting to use our parks again. As these groups get our kids out and begin activities, please be respectful of each other. We are still recommending social distancing and good hygiene practices while in our parks. The best protection we can offer our kids and ourselves is to practice these good hygiene and social distancing habits. We are looking forward to gradually getting all aspects of our community opened back up. With direction from the Health Department and other Mayors in Bannock County and the Commissioners, we are planning on a wonderful celebration on the 4<sup>th</sup> of July to celebrate our Independence. There may be some adjustments to the different venues but we are optimistic that we can have a wonderful celebration. I want to thank everyone for their patience and support and would love to hear from any of you about your concerns.

Thanks Max.
